Holocene reconstruction support · 1,000 whole Bacon draws

All occupied centuries are retained here. Dotted reference lines are not inclusion rules.

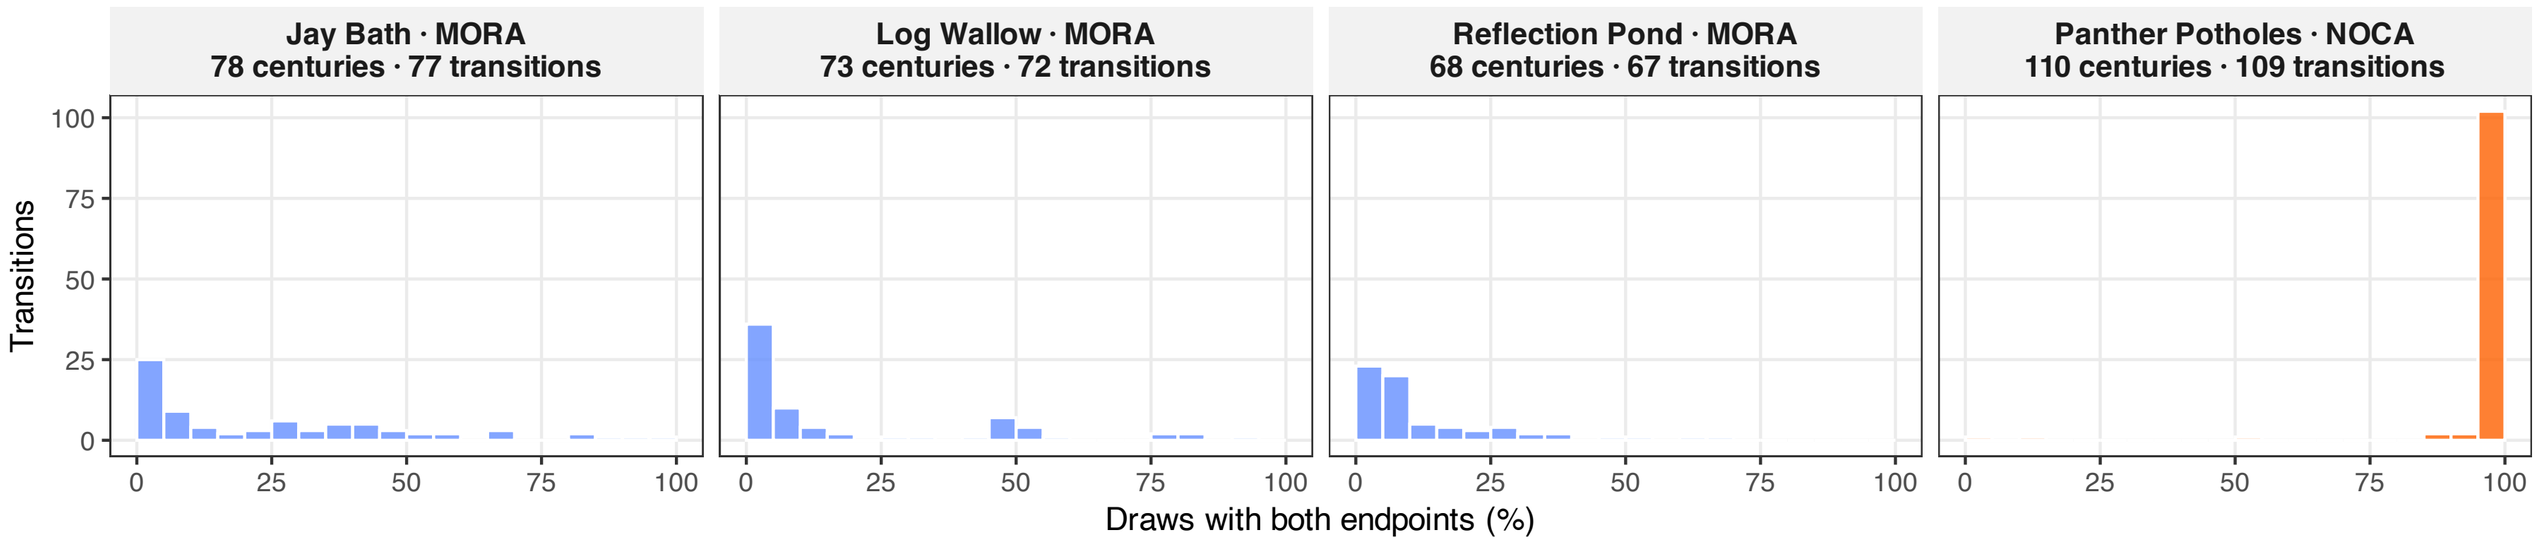

Century occupancy through time

Occupancy distribution among occupied centuries

Joint occupancy of candidate transition endpoints

Candidate transition durations without a cutoff

Support scenarios · no primary cutoff selected

Transition pairs are rebuilt for every scenario; no model is fitted.

Jay Bath · MORA | Log Wallow · MORA | Reflection Pond · MORA | Panther Potholes · NOCA

Centuries meeting scenario

Candidate transitions

Gaps exceeding 100 years

Transitions lacking fire coverage
